**Some societies have great skills and experience in some areas – we would all benefit from sharing “how to’s” – so we are creating a Youth Hub, meeting on line, on specific topics.**

Contact [Susanne.crosby@NODA.org.uk](mailto:Susanne.crosby@NODA.org.uk) to state your interest, volunteer to share and / or to ask for a topic

***We need you to volunteer with what you'd like to share that you are good at, and to tell us any other topics we should cover.***

We've heard you and have passed all this on to the national team working on the Youth Strategy, for a national approach to these important issues
