# **THERE'S NO BUSINESS LIKE SHOW BUSINESS**

There's no business like show business  
Like no business I know  
Everything about it is appealing  
Everything the traffic will allow  
No where could you have that happy feeling  
When you aren't stealing that extra bow  
There's no people like show people  
They smile when they are low  
Even with a turkey that you know will fold  
You may be stranded out in the cold  
Still you wouldn't change it for a sack of gold  
Let's go on with the show

The costumes, the scenery, the makeup, the props  
The audience that lifts you when you're down  
The headaches, the heartaches, the backaches, the flops  
The sheriff who escorts you out of town  
The opening when your heart beats like a drum  
The closing when the customers won't come

There's no business like show business  
Like no business I know  
You get word before the show has started.  
That your fav'rite Uncle died at dawn.  
Top of that you Pa and Ma have parted,  
You're broken hearted, but you go on.  
There's no people like show people  
They smile when they are low  
Yesterday they told you You would not go far  
That night you opened and there you are  
Next day on your dressing room they've hung a star  
Let's go on with the show

The cowboys, the wrestlers, the tumblers, the clowns  
The roustabouts that move the show at dawn  
The music, the spotlights, the people, the towns  
Your baggage with the labels pasted on  
The sawdust and the horses and the smell  
The towel you've taken from the last hotel

There's no business like show business  
If you tell me it's so  
Traveling through the country is so thrilling  
Standing out in front on opening nights  
Smiling as you watch the benches filling  
And see your billing up there in lights  
There's no people like show people  
They don't run out of dough  
Angles come from everywhere with lots of jack  
And when you lose it, there's no attack  
Where could you get money that you don't give back  
Let's go on with the show  
Let's go ..... on with the show!

## **GETTING TO KNOW YOU**

Getting to know you, getting to know all about you.

Getting to like you, getting to hope you like me.

Getting to know you, putting it my way, but nicely,

You are precisely my cup of tea!

Getting to know you, getting to feel free and easy

When I am with you, getting to know what to say.

Haven't you noticed? Suddenly I'm bright and breezy

Because of all the beautiful and new

Things I'm learning about you

# **FOOD GLORIOUS FOOD**

Is it worth the waiting for,  
If we live till eighty-four,  
All we ever get is,  
Gru-el,  
Everyday we say a prayer,  
Will they change the bill of fare,  
still we get the same old  
Gru-el  
There's not a crust,  
Not a crumb can we find,  
Can we beg can we borrow or cadge,  
But there's nothing to stop us from getting a thrill,  
when we all close our eyes and imagine.

Food, glorious food,  
Hot sausage and mustard,  
While we're in the mood,  
Cold jelly and custard,  
Pease pudding and saveloys,  
What next? Is the question,  
Rich gentlemen have it, boys  
In dye-ges-ti-on!

Food, glorious food,  
We're anxious to try it,  
Three banquets a day,  
Our favourite diet!  
Just picture a great big steak,  
Fried, roasted or stewed,  
Oh! Food,  
Wonderful food,  
Marvellous food,  
Glorious food

Food, glorious food,  
what is there more handsome  
Gulped swallowed or chewed,  
Still worth a King's ransom,  
What is it we dream about,  
What brings on a sigh,  
Piled peaches and cream about,  
Six feet high!

Food, glorious food,  
Eat right through the menu,  
Just loosen your belt  
Two inches and then you,  
Work up a new appetite,

In this interlude  
Oh food,  
Magical food,  
Wonderful food,  
Marvellous food,  
Fabulous food,  
Beautiful food,  
Glorious food!

# **CONSIDER YOURSELF**

Consider yourself at home.  
Consider yourself one of the family.  
We've taken to you so strong.  
It's clear we're going to get along.  
Consider yourself well in  
Consider yourself part of the furniture.  
There isn't a lot to spare.  
Who cares?  
What ever we've got we share!

If it should chance to be  
We should see some harder days  
Empty larder days  
Why grouse?  
Always a-chance we'll meet  
Somebody to foot the bill  
Then the drinks are on the house!  
Consider yourself our mate.  
We don't want to have no fuss,  
For after some consideration, we can state...  
Consider yourself  
One of us!

Consider yourself at home.  
Consider yourself one of the family.  
We've taken to you so strong.  
It's clear we're going to get along.  
Consider yourself well in  
Consider yourself part of the furniture.  
There isn't a lot to spare.  
Who cares?  
What ever we've got we share!

Nobody tries to be lah-di-dah or uppity--  
There a cup-o'-tea for all.  
Only it's wise to be handy with a rolling pin  
When the landlord comes to call!  
Consider yourself our mate.  
We don't want to have no fuss  
For after some consideration we can state  
Consider yourself..... one of us!

# **ME AND MY GIRL**

Life's an empty thing.  
Life can be so awful lonesome  
If you're always on your own some  
Life's an empty thing.  
Life's a diff'rent thing  
When you've found the one and only,  
Then you feel no longer lonely,  
Life's a happy thing.

Ev'rything was topsy turvy,  
Life seemed all wrong,  
But it came all right  
As soon as she came along.

Me and my girl,  
Meant for each other,  
Sent for each other,  
And liking it so.  
Me and my girl,  
'Sno use pretending,  
We knew the ending a long time ago.

Some little church with a big steeple,  
Just a few people that both of us know  
And we'll have love, laughter,  
Be happy ever after,  
Me and my girl.

Me and my girl,  
Meant for each other,  
Sent for each other,  
And liking it so.  
Me and my girl,  
'Sno use pretending,  
We knew the ending a long time ago.

Some little church with a big steeple,  
Just a few people that both of us know  
And we'll have love, laughter,  
Be happy ever after,  
Me-  
and my girl.

# **THE LAMBETH WALK**

Lambeth you've never seen.  
The skies ain't blue, the grass ain't green  
It hasn't got that Mayfair touch  
But that don' t matter very much

We play a different way  
Not like you, but a bit more gay  
And when we have a bit of fun - oh boy!

Anytime you're Lambeth way  
Any evening, any day,  
You'll find us all  
Doing the Lambeth walk  
Ev'ry little Lambeth gal  
With her little Lambeth pal  
You'll find 'em all  
Doing the Lambeth Walk

Ev'rything free and easy,  
Do as you darn well pleasey,  
Why don't you make your way there?  
Go there, stay there  
Once you get down Lambeth way  
Every evening, every day,  
You'll find yourself  
Doing the Lambeth Walk.

Anytime you're Lambeth way  
Any evening, any day,  
You'll find us all  
Doing the Lambeth walk  
Ev'ry little Lambeth gal  
With her little Lambeth pal

You'll find 'em all  
Doing the Lambeth Walk

Ev'rything free and easy,  
Do as you darn well pleasey,  
Why don't you make your way there?  
Go there, stay there  
Once you get down Lambeth way  
Every evening, every day,  
You'll find yourself  
Doing the Lambeth Walk.

Anytime you're Lambeth way  
Any evening, any day,  
You'll find us all  
Doing the Lambeth walk  
Ev'ry little Lambeth gal  
With her little Lambeth pal  
You'll find 'em all  
Doing the Lambeth Walk

Ev'rything free and easy,  
Do as you darn well pleasey,  
Why don't you make your way there?  
Go there, stay there  
Once you get down Lambeth way  
Every evening, every day,  
You'll find yourself  
Doing the Lambeth Walk

.....  
Doing the Lambeth Walk –Oi!

## **EDELWEISS**

Edelweiss, edelweiss  
Ev'ry morning you greet me  
Small and white, clean and bright  
You look happy to meet me.

Blossom of snow may you bloom and grow  
Bloom and grow forever  
Edelweiss, edelweiss  
Bless my home-land forever.

Edelweiss, edelweiss  
Ev'ry morning you greet me  
Small and white, clean and bright  
You look happy to meet me.

Blossom of snow may you bloom and grow  
Bloom and grow forever  
Edelweiss, edelweiss  
Bless my home-land forever.

# **CLIMB EV'RY MOUNTAIN**

Climb every mountain

Search high and low

Follow every byway

Every path you know

Climb every mountain

Ford every stream

Follow every rainbow

Till you find your dream

A dream that will need

All the love you can give

Every day of your life

For as long as you live

Climb every mountain

Ford every stream

Follow every rainbow

Till you find your dream

# **SOME ENCHANTED EVENING**

Some enchanted evening,  
You may see a stranger,  
You may see a stranger  
Across a crowded room,  
And somehow you know,  
You know even then,  
That somehow you'll see her again and again.

Some enchanted evening,  
Someone may be laughing,  
You may hear her laughing  
Across a crowded room,  
And night after night,  
As strange as it seems,  
The sound of her laughter will sing in your dreams.

Who can explain it?  
Who can tell you why?  
Fools give you reasons, wise men never try.

Some enchanted evening,  
When you find your true love,  
When you hear her call you  
Across a crowded room,  
Then fly to her side  
And make her your own,  
Or all through your life you may dream all alone.

Once you have found her,  
Never let her go,  
Once you have found her,  
Nev - er let\_\_ her\_\_ go.\_\_\_\_\_

# **THE DEADWOOD STAGE**

Oh! The Deadwood Stage is a-rollin' on over the plains,  
With the curtains flappin' and the driver slappin' the reins.  
Beautiful sky! A wonderful day!  
Whip crack-away!, Whip crack-away!, Whip crack-away!

Oh! The Deadwood Stage is a-headin' on over the hills,  
Where the Injun arrows are thicker than porcupine quills.  
Dangerous land! No time to delay!  
So, Whip crack-away!, Whip crack-away!, Whip crack-away!

We're headin' straight for town,  
Loaded down with a fancy cargo,  
Care of Wells and Fargo, Illinois - Boy!

Oh! The Deadwood Stage is a-comin' on over the crest,  
Like a homing pigeon that's a-hankerin' after its nest.  
Twenty-three miles we've covered today.  
So, Whip crack-away!, Whip crack-away!, Whip crack-away!

The wheels go turnin' round, homeward bound,  
Can't you hear 'em humming,  
Happy times are coming for to stay - hey!

We'll be home tonight by the light of the silvery moon,  
And our hearts are thumpin' like a mandolin a-plunking a tune.  
When I get home, I'm fixing to stay.  
So, Whip crack-away!, Whip crack-away!, Whip crack-away!  
Whip crack-away!, Whip crack-away!, Whip crack-away!

# **THE BLACK HILLS OF DAKOTA**

Take me back to the Black Hills  
The Black Hills of Dakota  
To the beautiful Indian country that I love!  
Lost my heart in the Black Hills  
The Black Hills of Dakota  
Where the pines are so high that they kiss the sky above

And when I get that lonesome feelin'  
And I'm miles away from home  
I hear the voice of the mystic mountains  
Callin' me back home

Take me back to the Black Hills  
The Black Hills of Dakota  
To the beautiful Indian country that I love!

Black Hills, Black Hills,  
Though I've wandered far away  
Black Hills, Black Hills,  
I'll come back to you some day!

Where the deer and the buffalo roam  
And the red wing feathers her nest.  
That's the place that I'll call my home,  
The land that I love the best.

And when I get that lonesome feelin'  
And I'm miles away from home

I hear the voice of the mystic mountains  
Callin' me back home  
So take me back to the Black Hills  
The Black Hills of Dakota  
To the beautiful Indian country  
That I love  
To the beautiful Indian country  
That I love.

Take me back to the Black Hills  
The Black Hills of Dakota  
To the beautiful Indian country that I love!  
Lost my heart in the Black Hills  
The Black Hills of Dakota  
Where the pines are so high that they kiss the sky above

And when I get that lonesome feelin'  
And I'm miles away from home  
I hear the voice of the mystic mountains  
Callin' me back home

Take me back to the Black Hills  
The Black Hills of Dakota  
To the beautiful Indian country that I love!

## **OH, WHAT A BEAUTIFUL MORNIN'**

There's a bright golden haze on the meadow,  
There's a bright golden haze on the meadow,  
The corn is as high as an elephants eye,  
An' it looks like it's climbing clear up in the sky.

Oh, what a beautiful mornin',  
Oh, what a beautiful day.  
I got a beautiful feelin'  
Ev'erything's goin' my way.

All the cattle are standin' like statues,  
All the cattle are standin' like statues,  
They don't turn their heads as they see me ride by,  
But a little brown mav'rick is winkin' her eye.

Oh, what a beautiful mornin',  
Oh, what a beautiful day.  
I got a beautiful feelin'  
Ev'erything's goin' my way.

All the sounds of the earth are like music  
All the sounds of the earth are like music  
The breeze is so busy it don't miss a tree  
And an old weepin' willer is laughin' at me

Oh, what a beautiful mornin',

Oh, what a beautiful day.

I got a beautiful feelin'

Ev'erything's goin' my way.

Oh, what a beautiful day.

## **WOULDN'T IT BE LOVERLY?**

All I want is a room somewhere,  
Far away from the cold night air.  
With one enormous chair,  
Aow, wouldn't it be lovely?  
Lots of choc'lates for me to eat,  
Lots of coal makin' lots of 'eat.  
Warm face, warm 'ands, warm feet,  
Aow, wouldn't it be lovely?  
Aow, so lovely sittin' abso-bloomin'-lutely still.  
I would never budge 'till spring  
Crept over me window-sill.  
Someone's 'ead restin' on my knee,  
Warm an' tender as 'e can be.  
'ho takes good care of me,  
Aow, wouldn't it be lovely?  
Lovely, lovely, lovely, lovely.

# **GET ME TO THE CHURCH ON TIME**

I'm gettin' married in the morning  
Ding! Dong! The bells are gonna chime.  
Pull out the stopper;  
Let's have a whopper;  
But get me to the church on time!  
I gotta be there in the morning  
Spruced up and looking in my prime.  
Girls come and kiss me;  
Show how you'll miss me;  
But get me to the church on time!  
If I am dancing, roll up the floor!  
If I am whistling, (*whistle*) me out the door!  
For I'm gettin' married in the morning  
Ding! Dong! The bells are gonna chime.  
Kick up a rumpus, but don't lose the compass;  
And get me to the church  
Get me to the church  
For Pete's sake, get me to the church on time!

I'm gettin' married in the morning  
Ding! Dong! The bells are gonna chime.  
Mug me or jail me,

Stamp me and mail me,  
But get me to the church on time!  
I gotta be there in the morning  
Spruced up and looking in my prime.  
Some bloke who's able  
Lift up the table,  
But get me to the church on time!  
If I am flying, then shoot me down!  
If I am wooing, get her out of town!  
For I'm gettin' married in the morning  
Ding! Dong! The bells are gonna chime.  
Feather and tar me,  
Call out the army,  
And get me to the church  
Get me to the church  
For Pete's sake, get me to the church on time!

# I DREAMED A DREAM

There was a time when men were kind  
When their voices were soft  
And their words inviting  
There was a time when love was blind  
And the world was a song  
And the song was exciting  
There was a time  
Then it all went wrong

I dreamed a dream in times gone by  
When hope was high and life worth living  
I dreamed, that love would never die  
I dreamed that God would be forgiving  
Then I was young and unafraid  
And dreams were made and used and wasted  
There was no ransom to be paid  
No song unsung, no wine untasted  
But the tigers come at night  
With their voices soft as thunder  
As they tear your hope apart  
As they turn your dream to shame  
He slept a summer by my side  
He filled my days with endless wonder  
He took my childhood in his stride  
But he was gone when autumn came  
And still I dream he'll come to me  
That we will live the years together  
But there are dreams that cannot be  
And there are storms we cannot weather  
I had a dream my life would be  
So different from this hell I'm living  
So different now from what it seemed  
Now life has killed the dream  
I dreamed

## **BRING HIM HOME**

God on high  
Hear my prayer  
In my need  
You have always been there

He is young  
He's afraid  
Let him rest  
Heaven blessed  
Bring him home  
Bring him home  
Bring him home.

He's like the son I might have known  
If God had granted me a son.  
The summers die  
One by one  
How soon they fly  
On and on  
And I am old  
And will be gone.

Bring him peace  
Bring him joy  
He is young  
He is only a boy  
You can take  
You can give  
Let him be  
Let him live

If I die, let me die  
Let him live  
Bring him home  
Bring him home  
Bring him home.

# **DO YOU HEAR THE PEOPLE SING?**

Do you hear the people sing?  
Singing the songs of angry men?  
It is the music of the people  
Who will not be slaves again!  
When the beating of your heart  
Echoes the beating of the drums  
There is a life about to start  
When tomorrow comes!

Will you join in our crusade?  
Who will be strong and stand with me?  
Somewhere beyond the barricade  
Is there a world you long to see?  
Then join in the fight  
That will give you the right to be free!

Do you hear the people sing?  
Singing the songs of angry men?  
It is the music of the people  
Who will not be slaves again!  
When the beating of your heart  
Echoes the beating of the drums  
There is a life about to start  
When tomorrow comes!

Will you give all you can give  
So that our banner may advance  
Some will fall and some will live  
Will you stand up and take your chance?  
The blood of the martyrs  
Will water the meadows of France!

Do you hear the people sing?  
Singing the songs of angry men?  
It is the music of the people  
Who will not be slaves again!  
When the beating of your heart  
Echoes the beating of the drums  
There is a life about to start  
When tomorrow comes

# **ALMOST LIKE BEIN' IN LOVE**

Maybe the sun gave me the pow'r,  
For I could swim Loch Lomond and be home in half an hour.  
Maybe the air gave me the drive,  
For I'm all aglow and alive.

What a day this has been!  
What a rare mood I'm in!  
Why, it's almost like being in love!  
There's a smile on my face for the whole human race!  
Why, it's almost like being in love!  
All the music of life seems to be  
Like a bell that is ringing for me!  
And from the way that I feel  
When that bell starts to peal,  
I could swear I was falling,  
I would swear I was falling,  
It's almost like being in love.

When we walked up the brae,  
Not a word did we say,  
It was...almost like bein' in love.  
But your arm link'd in mine made the world kind o' fine.:  
It was...almost like being in love!

All the music of life seems to be  
Like a bell that is ringing for me!  
And from the way that I feel  
When that bell starts to peal,  
I could swear I was fallin',  
I would swear I was falling,  
It's almost like being in love.

# YOU'RE JUST IN LOVE

*MEN:*

I hear singing and there's no one there  
I smell blossoms and the trees are bare  
All day long I seem to walk on air  
I wonder why, I wonder why?  
I keep tossing in my sleep at night  
And what's more, I've lost my appetite  
Stars that used to twinkle in the skies  
Are twinkling in my eyes, I wonder why?

*LADIES:*

You don't need analyzin'  
It is not so surprisin'  
That you feel very strange but nice  
Your heart goes pitter-patter  
I know just what's the matter  
Because I've been there once or twice  
Put your head on my shoulder  
You need someone who's older  
A rub down with a velvet glove  
There is nothing you can take  
To relieve that pleasant ache  
You're not sick, you're just in love!

## **SEASONS OF LOVE**

Five hundred, twenty-five thousand, six hundred minutes

Five hundred, twenty-five thousand moments so dear

Five hundred, twenty-five thousand, six hundred minutes

How do you measure, measure a year?

In daylights, in sunsets, in midnights, in cups of coffee

In inches, in miles, in laughter, in strife.

In five hundred, twenty-five thousand, six hundred minutes

How do you measure a year in the life.

How about love?

How about love?

How about love?

Measure in love.

Seasons of love,

Seasons of love.

### **Solo female (ooh accompaniment)**

Five hundred, twenty-five thousand, six hundred minutes

Five hundred, twenty-five thousand journeys to plan

Five hundred, twenty-five thousand, six hundred minutes

How do you measure the life of a woman or a man?

**Solo male (ooh accompaniment continues)**

In truth that she learned or in times that he cried,  
In bridges he burned or the way that she died

**[All]**

It's time now to sing out, though the story never ends,  
Let's celebrate, remember the life of friends.

Remember the love?

Remember the love?

Remember the love?

Measure in love.

Seasons of love,

Seasons of love.

# **LULLABY OF BROADWAY**

Come on along and listen to

The lullaby of Broadway

The hip hooray and ballyhoo

The lullaby of Broadway

The rumble of a subway train

The rattle of the taxis

The daffydils who entertain

At Angelo's and Maxi's

When a Broadway baby says good night

It's early in the morning

Manhattan babies don't sleep tight

Until the dawn

Good night, baby

Good night, milkman's on his way

Sleep tight, baby

Sleep tight, let's call it a day

Hey!

The band begins to go to town  
And everyone goes crazy  
You rock-a-bye your baby round  
'Til everything gets hazy

Hush-a-bye, I'll buy you this and that  
You hear a daddy saying  
And baby goes home to her flat  
To sleep all day

Good night, baby  
Good night, milkman's on his way  
Sleep tight, baby  
Sleep tight, let's call it a day  
Listen to the lullaby Of old... Broad... way...

## ANY DREAM WILL DO

I closed my eyes,  
Drew back the curtain  
To see for certain  
What I thought I knew  
Far, far away  
Someone was weeping  
But the world was sleeping  
Any dream will do.

I wore my coat (*I wore my coat*)  
With golden lining (*ah-ah-ah*)  
Bright colours shining (*ah-ah*)  
Wonderful and new  
And in the East (*And in the East*)  
The dawn was breaking (*ah-ah-ah*)  
The world was waking (*ah-ah*)  
Any dream will do.

A crash of drums, a flash of light  
(*Ah----- ah----- ah----- ah---*)

My golden cloak flew out of sight  
(*Ah----- ah----- ah----- ah---*)

The colours faded into darkness  
I was left alone (*Ah-----*)

May I return (*May I return*)  
To the beginning (*ah-ah-ah*)  
The light is dimming (*ah-ah*)  
And the dream is too  
The world and I (*The world and I*)  
We are still waiting (*ah-ah-ah*)  
Still hesitating (*ah-ah*)  
Any dream will do

Any dream will, any dream will do.  
Any dream will, any dream will do.  
Any dream will, any dream will do.  
Any dream will, any dream will do.

              May was full of promises  
              But she didn't keep 'em quickly enough for some  
              And a crowd of doubtin' Thomas's  
              Was predictin' that the summer'd never come

Men:        But it's comin, by gum,  
              We can feel it come,  
              You can feel it in your heart  
              You can see it in the ground

Girls:       You can see it in the trees  
              You can smell it in the breeze

All:         Look around! Look around! Look around!

Nettie:     June is bustin' out all over  
              All over the meadow and the hill!  
              Buds're bustin' outa bushes  
              And the rompin' river pushes  
              Ev'ry little wheel that wheels beside the mill!

June is bustin' out all over  
The feelin' is gettin' so intense,  
That the young Virginia creepers  
Hev been huggin' the bejeepers  
Outa all the mornin' glories on the fence!  
Because it's June...

June is a love song, sweetly song

All: June is bustin' out all over!

And my sister's even loonier!

# **SUNRISE SUNSET**

*(Tevye)*

Is this the little girl I carried?

Is this the little boy at play?

*(Golde)*

I don't remember growing older

When did they?

*(Tevye)*

When did she get to be a beauty?

When did he get to be so tall?

*(Golde)*

Wasn't it yesterday

When they were small?

*(Men)*

Sunrise, sunset

Sunrise, sunset

Swiftly flow the days

Seedlings turn overnight to sunflowers

Blossoming even as we gaze

*(Women)*

Sunrise, sunset

Sunrise, sunset

Swiftly fly the years

One season following another

Laden with happiness and tears

*(Golde)*

What words of wisdom can I give them?

How can I help to ease their way?

*(Tevye)*

Now they must learn from one another

Day by day

*(Perchik)*

They look so natural together

*(Hodel)*

Just like two newlyweds should be

*(Perchik & Hodel)*

Is there a canopy in store for me?

*(All)*

Sunrise, sunset

Sunrise, sunset

Swiftly flow the days

Seedlings turn overnight to sunflowers

Blossoming even as we gaze

Sunrise, sunset

Sunrise, sunset

Swiftly fly the years

One season following another

Laden with happiness and tears

# **TOMORROW**

The sun'll come out tomorrow  
Bet your bottom dollar that tomorrow there'll be sun!  
Just thinkin' about tomorrow  
Clears away the cobwebs and the sorrow 'til there's none!  
When I'm stuck with a day that's grey and lonely  
I just stick out my chin and grin and say:  
Oh, "The sun'll come out tomorrow  
So ya gotta hang on 'til tomorrow come what may!  
Tomorrow, tomorrow,  
I love ya tomorrow,  
You're always a day away.

When I'm stuck with a day that's grey and lonely  
I just stick out my chin and grin and say:  
Oh, "The sun'll come out tomorrow  
So ya gotta hang on 'til tomorrow come what may!  
Tomorrow, tomorrow,  
I love ya tomorrow,  
You're always a day away.  
To--morrow, tomorrow,  
I love ya tomorrow,  
You're always a day\_\_\_ a----way\_\_\_\_\_.

## **WE'LL MEET AGAIN**

We'll meet again,  
Don't know where, don't know when  
But I know we'll meet again some sunny day  
Keep smiling through, just like you always do  
Till the blue skies chase the dark clouds far away  
Now, won't you please say "Hello"  
To the folks that I know  
Tell them I won't be long  
They'll be happy to know that as you saw me go  
I was singing this song  
We'll meet again, don't know where, don't know when  
But I know we'll meet again some sunny day

We'll meet again,  
Don't know where, don't know when  
But I know we'll meet again some sunny day  
Keep smiling through, just like you always do  
Till the blue skies chase the dark clouds far away  
Now, won't you please say "Hello"  
To the folks that I know  
Tell them I won't be long  
They'll be happy to know that as you saw me go  
I was singing this song  
We'll meet again, don't know where, don't know when  
But I know we'll meet again some sunny day
