Councillor's Report

noda
Training

noda.org.uk/training

It is a joy to me to look back over all of your wonderful productions during 2019. Memory is a wonderful thing and every now and again little nuances of individuals and performances spring to mind. We in NODA strive to support all the members in their various activities. You will no doubt imagine that there have been a lot of queries lately particularly to do with insurance. Hopefully all your questions have been answered.

Over the last few weeks the Facebook pages have revealed how resourceful the am dram world is. From on line rehearsals to quizzes and even virtual walks - what would we do without the wonders of technology?

Now we have NODA training <https://www.noda.org.uk/training>

We cannot foretell when this period of isolation will end however there is much to be done in terms of preparing for future productions.

- The rights holders are being very helpful over perusal material have you set your future programme?
- Have you checked your society's policies are they up to date?
- Have you checked your insurance?
- Have you updated your details on the NODA website? May I take this opportunity to thank you SE committee on your behalf for all their hard work during the past year.

Thanks must go to all of you for making the year one bursting in enthusiasm and talent whilst you entertained all your loyal audiences. I can't wait to get back to visiting you all.

I look forward to sharing all your experiences next year when hopefully we can be together.

Keep Well and Keep Safe "‘til we meet again".

Certificate of Appreciation

Regrettably, one of our Regional Reps has decided to enjoy his retirement and I am delighted to be able to present a certificate of appreciation to Jon Fox of District 19 for his 7 years as a regional rep. Thank you Jon.

Membership Secretary's Report

At the end of the year our membership totalled 318 which broken down gives us 249 Societies, 51 Individual Members, 7 Joint Members, 9 Life Members and 2 Honorary Life Members. We had 9 new societies and 4 IMs join during the year.

Now that NODA has introduced a “rolling” membership year for new members, they benefit from a full 12 months membership from the date of their joining.

The process for membership renewal is that NODA Head Office issue a reminder form that societies need to complete and return, following which an invoice will be issued. Payment can be made on-line via BACS or by cheque.

It is important that when committees' change that they notify any change to their treasurer and/or NODA contact. This will ensure that newsletters, membership renewal etc reach the correct person.

Treasurer's Report

Due to circumstances the report is not available. In simple terms our budget was followed and not exceeded. Keith has recently been through a heart operation but is recovering well. Our good wishes go to him for a full recovery.

Regional Councillor

President's Address –

Christine Hunter Hughes

I am SO disappointed, (but of course fully supportive of the necessity to cancel) that I am not able to deliver my address in person, in fact I have changed my original speech somewhat to reflect the position we all find ourselves in right now. However, I am still none the less honoured, proud and somewhat awed to be able to address you as the National President of NODA – our association of hugely passionate and committed people who are all 'Inspired by Amateur Theatre'.

These are difficult times for all of us, and on a very personal level, my diary is emptier than it has been for years! I recently received an email that said "It's the Arts that keep us all buzzing and add enrichment to our lives. Meanwhile, we'll have to make lots of use of online resources to boost our mood and keep our positivity". Which seemed to echo my own thoughts and feelings exactly.

We all know, and hugely appreciate, the commitment all our volunteers and society members bring to our hobby. For many, our hobby is all consuming with each society becoming a smaller NODA family within the nationwide NODA Family, with all the social benefits that just belonging brings. The friendship, camaraderie, tolerance, the invaluable sense of belonging and community as well as the sheer good fun that our hobby affords us includes everyone and it seems likely that all these benefits will be severely tested over the coming weeks and months.

My heart goes out to all the casts of shows who have worked so hard only to have had to cancel their show. Also, to the Committees of those societies, and that very much includes the NODA South East Regional Committee who have the headache of having to undo all their carefully made plans. I am however certain of one thing – Amateur Theatre will survive – with so very many committed and inspired people how could it not?

I am SO very sorry that circumstances prevented me from attending your conference –I was so looking forward to being a part of it this year.

So thank you to you, all the members of NODA South East, I hope that we are all able to get back to 'business as usual' very soon and then long, long may you all continue to enjoy and promote our wonderful hobby, whilst at the same time, resuming to entertain your audiences so very royally.
