## SUE SAMPSON

Sue is widely sought after as a director in the region. She had no choice but to become involved in theatre as her mum and dad met in a repertory company and her granny was a talented amateur actress. After dancing classes she went to the Laban Art of Movement Studio to study dance and drama, and then spent 40 years teaching drama. She has been directing, choreographing and acting in amateur shows for many more years than she cares to remember.

Sue's workshop will focus on the use of the voice and movement together with helpful tips for positioning and working on stage - the emphasis will be on fun.
