Meet NODA President Christine Hunter Hughes

Singing and Drama Workshop with Sue Sampson and Steven Bean

The event will take place on Sunday 19th April 2020 when we will celebrate all the fantastic productions that have taken place during 2019.

The format will follow the same pattern as 2019 which includes time for networking, meeting traders, performances by award winning societies, and a very brief AGM. This year there will be two workshops – one for drama facilitated by Sue Sampson and one for singing facilitated by Steven Bean

The event will take place at The Electric Theatre, Guildford where several of our societies perform.

Please let the Regional Secretary know how many of you are coming.

SUE SAMPSON

Sue had no choice but to become involved in theatre as her mum and dad met in a repertory company and her granny was a talented Amateur actress. After dancing classes she went to the Laban Art of Movement Studio to study dance and drama, and then spent 40 years teaching drama. She has been directing, choreographing and acting in amateur shows for many more years than she cares to remember and is widely sought after in the Region!

Sue returns after last year's successful workshop but with a restricted number of active places due to the lack of space. Non-participants may view from the auditorium.

STEVEN BEAN

Steven is a music teacher who is not only talented but has been lucky enough to be involved in a wide variety of musical activities including performing at The Royal Albert Hall, singing on the BBC TV and conducting at the Southbank Centre.

He has had the privilege to work on many award-winning productions with local theatre groups including Sweeney Todd with Ghosts, Titanic, the Musical and Bad Girls with GTG and Oklahoma, Fiddler on the Roof and Sister Act with FAOS. He enjoys a challenge and is looking forward to facilitating the singing workshop at the Celebration Day.
