

NODA London AGM 14th June 2026

On behalf of the London Regional Committee, I invite you to the NODA London Regional AGM and Regional Day.

It has been a busy and rewarding year with so very many Societies taking to the stage and delighting their audiences with imaginative and spectacular productions. What a pleasure it has been to attend shows and appreciate the wonderful talent there is in the London Region.

The regular business of NODA London continues and we will be holding our Celebration Day events on

Sunday 14th June 2026 commencing at 11.00 am

The day will encompass our Celebratory Showcasing Events, our AGM to receive reports and elect Regional Representative, together with our all-important Regional Awards

On our website you will find Nomination Papers for Regional Representatives and the Regional Councillor should you wish to nominate anyone other than the present incumbents.

As with last year, an AGM brochure will be published on the London section of the NODA website and will include the AGM papers. The brochure gives details of the Region's accounts for 2025, the list of District Reps who are standing again for the coming year and reports on membership and long service awards.

May I, on your behalf, take this opportunity to thank the Regional Committee, Officers and our Regional Representatives. They do tremendous, voluntary work to ensure NODA in the London region runs smoothly and well deserve thanks from us all.

Pam Armstrong
Regional Councillor
NODA London
