

Dear Summer School Students,

Thank you for booking courses on NODA Theatre Summer School 2020. We are facing unprecedented times which we are monitoring very carefully. Our first consideration is the health and welfare of our students, tutors and volunteers and any decision we make will have those concerns at the centre of it.

At the present time our venue for 2020, the Walsall Campus of the University of Wolverhampton, is being guided by the announcements coming from the government regarding the closure of schools, colleges and universities. So until such time as we have something to tell you, I would urge you not to make any travel arrangements or make further payments...at least for the time being...we hope that Summer School 2020 will happen but until we know more about what the future has in store we cannot give any guarantees.

We understand that many of you are anxious and would like some definite information now. This, unfortunately, we are not in a position to give. However, another couple of weeks may see a different picture, so please bear with us until we can hopefully report a more positive scenario.

In the meantime, we send you hope and strength in this challenging time – our hearts are with you all.

The best of all wishes

Jacquie, Sarah and the NODA Theatre Summer School Team
