- Society membership is open to any club, institution, organisation or association of persons, whether incorporated or unincorporated, which meets the following criteria: that it is a voluntarily organised group of individuals who, for the purpose of personal improvement, social networking or leisure, produce and promote theatrical works for performance to the public; which is governed by a constitution and/or rules which provide for it to be managed by a committee and/or officers, none of whom receive payment except for the reimbursement of defined expenses; and which contains provisions for the dissolution of the society materially the same as those in clause 29 of the Association's Constitution. Subscription banding is based on the gross ticket revenue of the society for the period 1 April 2023 to 31 March 2024.
- Associate membership is open to bodies that produce and/or promote theatrical works for performance to the public, but do not satisfy the criteria set out above.
- School, college and university membership is open to any institution that engages in the wider education of individuals, with some part of this formed by drama and the arts, be the institution state or independently funded.
- Non-performing society membership is open to those societies which, for whatever reason, **may not be planning a production for the coming 12 months** but would still like to maintain the momentum and the majority of benefits of NODA membership.
